Do you have an old cell phone (or maybe several) just lying around?

As part of our "rivers" theme this year, we will be recycling them for a fundraising effort.\* Along with our silent auction proceeds, these funds will be donated to the Audubon organization.

Audubon's mission is to conserve and restore natural ecosystems, focusing on birds, other wildlife, and their habitats, including participation in Mississippi Flyway and Gulf Coast restoration efforts.

Visit [www.audubon.org](http://www.audubon.org) for more info.

\*It is recommended that anyone concerned about personal data erase their phone's memory before recycling.

Visit the WI-MN AHDI website ([www.wi-mn-ahdi.com](http://www.wi-mn-ahdi.com)) for more information, a "virtual tour" of Treasure Island Resort and Casino, and program updates.
